## TRANSPORTATION

**Swoop** Swoop is a free electric car service that will pick you up anywhere and take you anywhere you want to go in South Beach. Since the service is free of charge, tips are recommended. The cars are electric, oversized golf carts that seat up to eight people. To get "Swooped" call 305-409-6636, or you can visit [www.swoopmiami.com](http://www.swoopmiami.com) for more information. Please be advised wait times are sometimes upwards of half an hour, so if you are running late this may not be your best option.

**Buses** Several bus lines go through Miami Beach. The most commonly-used line is the South Beach Local, which runs throughout South Beach about every 15 minutes and costs 25 cents. A map of the routes can be found at:

<http://www.miamidade.gov/transit/library/routes/123.pdf>

You can pick up the South Beach local right behind Miami City Ballet on 23<sup>rd</sup> Street. Other buses may be picked up at 24<sup>th</sup> Street and Collins Ave., just east of Tradewinds.

**Uber** Any student with a smartphone will have access to Uber. Rates are quite affordable and this is an excellent option for running local errands, including grocery shopping. Please make sure that you or someone in your group has a fully charged phone, as this will be necessary to order your return Uber.
