AFTER PARTY

Join Miami City Ballet for an After-Party event inspired by *Don Quixote*, the titular character in Miguel Cervantes' classic novel, *The Ingenious Nobleman Sir Quixote of La Mancha*. The ballet tells the timeless tale of the valiant adventures of Don Quixote and Sancho Panza, and their quest for virtue. Guests will "crash" the 2020 MCB Gala in the rooftop ballroom, Sunset Vista, of the newly redesigned Miami Beach Convention Center, for a nightlife-inspired party beginning with a cocktail reception featuring tintos and tapas, followed by a DJ, open bar and dancing. Join Miami City Ballet dancers on the dance floor in an immersive experience of rich Hispanic culture – a bravo to the ballet!

MIAMI CITY BALLET OVERVIEW

The value of having performing arts organizations is the self-knowledge and understanding that they inspire in members of the community. Nowhere is this more applicable than to South Florida's highly diverse population, where arts communicate across barriers of language, class and culture. Miami City Ballet is world-renowned, and its School is one of the largest premier training academies in the nation. MCB is both a catalyst for transformation within its local communities through exceptional instruction and community engagement programs, and a brand ambassador for South Florida with performances in more than 100 cities within Europe, Great Britain, Central and South America, and Israel. Three pillars propel the organizational mission: Company, Community Engagement and School.
